The Bavarian's Beer

We import our German Beers from the Spaten-Franziskaner brewery in Munich. This is Munich's first official brewery and dates back to 1397.

Six hundred years of brewing experience goes into every bottle of Spaten, and the beer is brewed according to the very strict German Purity Law of 1516 (Rheinheitsgebot). This is the exact same beer as sold in Germany with no alterations. Spaten-Franziskaner is recognized as one of the finest breweries throughout the world. Munich holds the world's only authentic and original Oktoberfest and Spaten hosts this world famous Munich Oktoberfest Festival. Franziskaner Hefe-Weisse, Spaten's flagship brand, was selected to be part of the Olympian's diet program in Lillehammer, Norway and Barcelona, Spain.
